**Attention: All Tech4ED Center Managers**

Dear Superintendent Zurbano,

Warm greetings from Connected Women!

Last year, with DICT's support, Facebook's #SheMeansBusiness program was able to reach over 1,000 women all over the country and equip them with much-needed digital marketing skills to help them in their businesses or careers. This year, we hope to reach more women entrepreneurs, freelancers and professionals. And we are happy to continue our partnership with DICT for this year's round of #SheMeansBusiness events.

The first #SheMeansBusiness event for the year will be on **June 21, 2019, at Acacia Hotel, Alabang, Muntinlupa**. We are bringing this one-day workshop to Metro Manila ladies for the first time. In line with this, we would like to invite your Tech4ED Center to **send women participants to this event**, particularly those who will benefit greatly from this free digital marketing workshop which runs from 9:00 am to 4:00 pm.

You may ask your participants to register via this link: <http://bit.ly/smbjune21>. Do let us know if you have any questions or concerns about the event. We are looking forward to a closer collaboration between Connected Women and DICT Tech4ED centers especially in bringing about economic empowerment to women in the country.

To our success,

**Liezl F. Dunuan**  
Program Manager
