**Pre-construction (waterline) Corner Record**

Corner - Left as found ☒ Found and tagged ☐ Established ☐ Reestablished ☐ Rebuilt ☐

Identification and type of corner found: Evidence used to identify or procedure used to establish or reestablish the corner:

Found monument that could be damaged or destroyed by planned water line construction project.

Monument was referenced as shown on page 2. The purpose of this Corner Record is to preserve possible evidence only; no attempt was made to determine the relationship to property, centerline, or right of way lines.

A description of the physical condition of the monument as found and as set or reset:

Monument was found in good condition and was referenced with four set reference points representing two intersecting lines as shown on Page 2.
